FOOD PANTRY

Requested items for October are peanut butter and jelly. The box has been looking much fuller lately, thank you to everyone who keeps the people in need in your hearts.

From the Daily Prayer for all seasons, ordinary time (Pentecost) mid-day.

Prayer: Creating God, your reign of love makes all things new: Plant seeds of confidence and gladness in our hearts so that, trusting in your word, we may live no longer for ourselves but for him who died and was raised for us, Jesus Christ, our Lord. Amen.

Scripture: So let us not grow weary in doing what is right, for we will reap at harvest-time if we do not give up. So then, whenever we have an opportunity, let us work for the good of all, and especially for those of the family of faith.

Galatians 6:9-10

Meditation: Care...rests upon genuine religion. Care allows creatures to

escape our explanations into their actual presence and essential mystery.

In taking care of our fellow creatures, we acknowledge that they are not ours; we acknowledge that they belong to an order and harmony of which we ourselves are parts. To answer to the perpetual crisis of our presence in this abounding and dangerous world, we have only the perpetual obligation of care. ..Wendell Berry

At this hour, how is God calling us to care for creation?

I was busy this morning making cheese cakes for tomorrow's ham and bean dinner, half listening to the news regarding the situation in Puerto Rico. Realizing how lucky I am to be in a fully functioning kitchen with all the supplies I need and my biggest problem, trying to stop any from being eaten before tomorrow.

Looking forward to a great evening and another terrific dinner.

Peace
Carole Connors
