A note from Maureen Gillum, "Walking through the site and grounds today we all began to sense the excitement of the project really taking shape and what that means for STJB and our community -- the parish hall dinners, outside services at our beautiful altar, backyard coffee hour on the back patio. As planned, it is a total reorientation to our lovely back yard." Thank you, Maureen, for the weekly update photos!

Don't miss it: [more photos on our Facebook page](#)

You can lock the doors but you can't close the church!

Please remember that our church is still operating. Now, more than ever, we need folks to keep their pledges up to date. Thank you, in advance, for your faith and commitment to STJB.
