Thoughts to consider from the Diocese of NH

The Coaching Fund provides professional coaching for clergy and lay leaders who are stepping into new calls, or those in need of support or new direction to help navigate the landscape of their congregations. Coaching is a proven approach that helps leaders clarify and define specific goals, challenges, and next steps, and provides guidance that leads to successful change and leadership growth.

Without the Coaching Fund many clergy would have been sunk by the ministerial challenges of the COVID epidemic.

- What challenges do clergy and leaders face and how could coaching benefit their leadership and health of a church?

2022 Stewardship FAITH INTO ACTION

A Letter from Fr. Dave about Stewardship for 2022

Dear Parishioners and Friends of St. John the Baptist Church,

This time last year we were still facing the many the challenges of the 2020 global pandemic. The doors of the church were closed but our church was still open, and God was moving in our community through Zoom Morning Prayer services, Bible studies, book groups, vestry meetings, cards, letters, Friday Reflections, and the annual diocesan convention. Church leaders and parishioners alike noted that the year 2020 felt like an exile from community, family, friends, and in-church worship services. Read the full letter here.
