BLACK HISTORY MONTH 2022 Focus: Health and Wellness

"Black History Month is a time to celebrate the fullness of African American history and culture, but that cannot be contained in one month alone. As the world's largest African American museum, we have a responsibility to humanize history and objects through the lives, tragedies, and triumphs of everyday people. This February, we celebrate the theme of Black health and wellness by creating a space that highlights Black pioneers' trailblazing contributions to Western medicine, addresses health disparities facing our communities, and encourages healing through education."

Kevin Young, Andrew W. Mellon Director, National Museum of African American History & Culture.

Thoughts to consider from the Diocese of NH

Episcopal Missional Communities

Missional communities are new shoots of the vine that offer alternative forms of worship and community. Dinner churches, nature churches, digital churches are all examples of different ways of "being church" that are being raised up here in New Hampshire. Since 2014 we have seen these new sprouts emerge in the form of communities such as Church of the Woods, The Mission in Franklin, The Digital Mission, and Christ the Way Community. Increased support for clergy and lay leaders and providing for gathering space and other assistance is critical to strengthen these communities.

Consider:

How does supporting missional communities outside of the traditional church context enhance who we are as the Episcopal church in New Hampshire?

2022 Stewardship FAITH INTO ACTION

A Letter from Fr. Dave about Stewardship for 2022

Dear Parishioners and Friends of St. John the Baptist Church,

This time last year we were still facing the many of the challenges of the 2020 global pandemic. The doors of the church were closed but our church was still open, and God was moving in our community through Zoom Morning Prayer services, Bible studies, book groups, vestry meetings, cards, letters, Friday Reflections, and the annual diocesan convention. Church leaders and parishioners alike noted that the year 2020 felt like an exile from community, family, friends, and in-church worship services. Read the full letter here.
